Текст песни.

My Bonnie lies over the ocean
My Bonnie lies over the sea
My Bonnie lies over the ocean
Oh, bring back my Bonnie to me
Bring back, bring back
Bring back my Bonnie to me, to me
Bring back, bring back
Bring back my Bonnie to me
Last night as I lay on my pillow
Last night as I lay on my bed
Last night as I lay on my pillow
I dreamt that my Bonnie was dead
Oh blow the winds o'er the ocean
And blow the winds o'er the sea
Oh blow the winds o'er the ocean
And bring back my Bonnie to me
The winds have blown over the ocean
The winds have blown over the sea
The winds have blown over the ocean
And brought back my Bonnie to me
My heart's in the Highlands. Robert Bruce
My heart's in the Highlands, my heart is not here;
My heart's in the Highlands, a-chasing the deer;
A-chasing the wild deer, and following the roe,
My heart's in the Highlands wherever I go.
Farewell to the Highlands, farewell to the North,
The birth-place of valour, the country of worth;
Wherever I wander, wherever I rove,
The hills of the Highlands for ever I love.
Farewell to the mountains high cover'd with snow;
Farewell to the straths and green valleys below;
Farewell to the forests and wild-hanging woods;
Farewell to the torrents and loud-pouring floods:
My heart's in the Highlands, my heart is not here;
My heart's in the Highlands, a-chasing the deer;
A-chasing the wild deer, and following the roe,
My heart's in the Highlands wherever I go.

В горах мое сердце

В горах моё сердце, не здесь, не со мною,
В горах за оленем несётся стрелою.
За диким оленем летит оно следом,
В горах моё сердце, где б только я не был.
Прощай, моя Родина, Север мой милый,
Где доблесть с достоинством не делимы,
Куда ни забрёл бы, где б я не бродил,
Страну этих гор навсегда полюбил.
Прощайте, вершины высокие снежные,
Прощайте, долины зелёные нежные,
Прощайте, леса и заросшие кущи,
Прощайте, ручьи и потоки ревущие.
В горах моё сердце, не здесь, не со мною,
В горах за оленем несётся стрелою,
За диким оленем летит оно следом,
В горах моё сердце, где б только я не был.
Scotland.

Scotland is a land of mountains, lakes and romantic castles. The winters are cold, with plenty of snow, but the summers are often warm and sunny. Deer live in the hills, and the rivers are full of salmon. The flag of Scotland is St. Andrew cross. The national animal of Scotland is the unicorn. The national plant is thistle. The traditional musical instrument is bagpipe.

The capital of Scotland is Edinburgh. Edinburgh is a beautiful city. The heart of the city is the castle, where the kings and queens of Scotland lived for centuries. The Castle looks like the castle from a fairy-tale, and parts of it are more than a thousand years old. From the top of the Castle there is a beautiful view of the hill and the sea. Besides the Castle there are many other interesting buildings, such as Holyrood Palace which is the old royal residence, the Art Gallery, the University of Edinburgh. Another big city of Scotland is Glasgow. Actually Glasgow is the biggest city of Scotland and it's very beautiful.

Not far from Glasgow there is one of the most famous of Scotland's many lakes (called "lochs"), Loch Lomond. Another famous lake is Loch Ness. You probably heard the story about Nessy – a monster who lives in the lake. Many tourists come to Scotland to see Nessy. Scottish numerous valleys are known as "glens". This "glens" are very beautiful.

Kilt is a traditional dress of men and boys in the Scottish Highlands of the 16th century. Since the fifteenth century, each Scottish family (or clan) has worn its own tartan as a kind of badge. It was a useful way of recognizing people, especially in times of war. Many tartans date only from the 19th century, but some of the old patterns still exist. "Dress" tartans, worn on special occasions, have light, bright colours. Hunting tartans are usually green, blue or brown.

Scotland is very beautiful country with interesting history and traditions. If you will have such opportunity you should visit Scotland.
